Hi Bladimir and Fred,

Hope you're both doing well. I just received the email below from LADOT regarding [411 N Vermont](#) and wanted to see if we could have the team stop by there first thing tomorrow morning. I already added it to my sheet and can get LAPD out there tomorrow but wanted to check with you both to make sure we could make the change.

Please let me know.

Best,

Good morning Hector and George,

I know that you have our location on your radar. LASAN was here for a spot clean up several weeks ago and removed some debris and some pedestrians from our private property. They were allowed to be on the sidewalk which now they are blocking and the debris has returned. Rampart Division has been out several times for the narcotic activity.

Can you please send LASAN and HOPE to address the ADA violations for the sidewalk and also for a cleanup as this has turned into an encampment.

Thank you for your continued partnership and assistance.

Best,

---

Captain Nuno

Good morning. Our homeless encampment still continues to create concerns from personnel inside the facility. There is an accumulation of debris, trash and personal belongings on our property, sidewalk, and parkway. Clothing is being hung on the driveway wall to dry. Our officers have reported open drug use by the homeless. Safety and security is my major concern. I've advised our personnel to be caution when entering and existing the facility

Thank you. Rampart Division responded yesterday to remove the ones that were conducting drug activity by our driveway.

I will reach out again to the UHRC to see when they are scheduled to address New Hampshire/Oakwood.

Our homeless population continues to grow. The individuals are on the property, not sidewalk or parkway (New Hampshire and Oakwood ). It was reported today that someone decided to defecate in front of the existing driveway.
